Description:

The interactive bulletin board will be used as an opportunity for the students to learn about Christopher Columbus, Juan Ponce de Leon, Robert de La Salle, and Francis Drake. The flags have different facts that describe each of the explorers, and the student's job is to match the correct flag to the correct explorers' ship. The orange flags belong on the Columbus Ship, the yellow flags belong on the La Salle Ship, the green flags belong on the Ponce de Leon Ship, and the light blue flags belong on the Drake Ship. After the students have finished the board and check their answers, they will choose one of the QR code activities to do. The directions for the QR codes are on the QR code activity pages.
