Objective

To contribute to a school and county system that can use a motivated, flexible, and hard-working teacher who offers an education well-rounded in engaging pedagogy, research, and academics.

Education

2015 Bachelor of Multidisciplinary Studies, Tennessee Technological University, Cookeville, TN

Emphasis: Elementary Education

2013 Associate's of Science of Teaching, Roane State Community College, Oak Ridge, TN

Emphasis: Education

Related Teaching Experience

2014- Residency Teacher Candidate, Norwood Elementary, Anderson County, TN

2015 Involved in a team-teaching approach for 1st grade. Actively planned and implemented lessons that involved cooperative group work and differentiated instruction.

2014 Practicum Teacher, Grand Oaks Elementary, Anderson County, TN

Spent time in a fourth grade class. Designed lessons and methodologies that focused on actively engaging the students. Also, participated in Professional Learning Community meetings and leading TCAP review groups.

2013 Practicum Teacher, Linden Elementary, Oak Ridge, TN

Spent time in a fourth grade class. Involved in all aspects of the curriculum, particularly integrating technology.

Related Work Experience

2010- Children's Ministry Intern, Faith Promise Church, Knoxville, TN

2012 As an intern, I was responsible for getting all the materials ready for the weekend services. I gained experience in planning activities for children kindergarten through 3rd grade and managing resources for multiple campuses.

2010- Childcare Provider, Faith Promise Church, Knoxville, TN

2014 As a childcare provider, I was responsible for caring for children ages 6 weeks to 5th grade. Also, I had to teach lessons and present activities with preschool and school age children.

2013 Assistant Teacher, Emory Valley Early Learning Center, Oak Ridge, TN

As an assistant teacher, I worked in the 2 year old classroom, and was responsible for team-teaching lessons and supporting the lead teacher.

Professional Participation/ Accomplishments

I am a student member of National Education Association (NEA). Additionally, I have been certified in Project Learning Tree and Project Wild, wildlife focus conservation education programs. I am trained in CCSS, differentiated instruction for English Language Learners, and the TEAM model. I have a strong background in technology integration, assessment development, and student engagement.
